

IEEE ISVLSI 2025 Privacy and Data Protection Statement

At the IEEE ISVLSI 2025 Conference, we are committed to protecting your privacy and ensuring that your personal data is collected and processed in compliance with the General Data Protection Regulation (GDPR).

We take the following measures to uphold your rights under the GDPR:

- **Transparency:** We provide clear information about the personal data we collect, the purposes for which it is used, and how it is processed. This information can be found in IEEE Policies.
- **Data Minimization:** We only collect personal data that is necessary for the purposes of managing conference registrations, communications, and related activities.
- **Consent:** Prior to processing your personal data, we obtain your explicit consent where necessary, ensuring you have the option to opt-in and out of any non-essential communications.
- **Rights of Individuals:** You have the right to access, rectify, or erase your personal data; to restrict or object to processing; and to receive your data in a portable format. Instructions on how to exercise these rights are outlined in IEEE Policies.
- **Data Security:** We implement appropriate technical and organizational measures to safeguard your personal data against unauthorized access, loss, or misuse.
- **Data Retention:** Personal data is retained only as long as necessary for the purposes for which it was collected or as required by law.

For further details regarding our data handling practices, please refer to our IEEE Policies or contact us at privacy@esdalab.ece.uop.gr.

Thank you for your trust in us, and we look forward to welcoming you to the IEEE ISVLSI 2025 Conference.
